process of selection and the criteria that was used.

**Library Board** – Chairperson Marylou Gilmour reported that the Summer Reading Program is being prepared and that this year’s theme is “Catch the Reading Bug”. The program will run from 6/19 – 8/7/08. The library is applying for a Libri Grant and if selected Washington State Library will pick up the full cost of the grant. Councilmember Gay moved to approve the surplus list with Councilmember Huber seconding the motion. The motion passed 5 yes and 0 no.

**Police Department** – Chief Studer explained there have been several car prowls on Mason, Benton and Spokane streets. There was a domestic violence 4<sup>th</sup> degree that resulted in arrest. Chief Studer encouraged Councilmembers to hold a discussion on criminalizing dog at large citations after the 3<sup>rd</sup> offense. The Police Department had repairs done on one of the department’s vehicles. The taggers each did 5 hours of community service and met victims.

**Public Works Lead Bosch** – Clark street and part of Railroad are being considered for paving next year. Two hydrants broke this winter and need to be replaced. Pricing shows better to buy three than just the two. Councilmember Huber suggests using money from the Capital Fund as a source to pay for hydrants. Bosch reports that recent insulation has helped tremendously with the heating costs in Community Hall and shared a comparison of 2006-07 to most recent 2007-08 bill. The next item to be discussed was window replacement. Discussion surrounded on how to pay for that project. Mayor Arington requested that the splattered paint be removed from the kitchen floor in Community Hall. Mayor Arington mentioned having received complaints from local business owners of the excess mud left from recent street washing. There was discussion of proposed Community Clean Up Saturday and how it will be organized/advertised. No formal decision was made, only discussion.

**END OF TAPE 1 SIDE 1**

**WWTP Operator Howard** – Update on recent test results, it was reported that State of Washington is going to start monitoring local creeks and canals in order to hold homeowners responsible for output into waterways. Report from the state showed that City is in compliance for discharge from plant. Mayor Arington mentioned that Councilmember Gay, himself, and Operator Howard will be working together to develop a trainee monitoring program that will track the progress of new hires while going through probation/licensing period.

**Treasurer’s Report** – see handout. No questions from Council upon review of treasurer’s report.
